Please ensure that you complete the following steps to ensure that the students teams from your school are able to proceed ahead in the competition:

Step 1: Schools can optionally organize the internal hackathon or directly submit the teams on our portal.

Step 2: School can nominate any number of teams against any of the 16 listed themes. There are no problem statements defined for school students. They can work on any of the real world challenge and submit details of their idea/prototype.

Step3: Only school SPOCs can submit the team details and no direct registration by the student is allowed.

In case of any questions, please contact us: <https://www.sih.gov.in/contactUs>
